

The Rupert N. Gresham, Jr. Scholarship

The Rupert N. Gresham, Jr. Scholarship is a four-year, full-tuition scholarship awarded each year to one rising ninth grade student. The scholarship recipient is expected to embody the [core values](#) of TMI by maintaining a high academic average, being involved in athletics and extracurricular activities, modeling the highest character and integrity and exercising positive leadership inside and outside the classroom.

Please carefully consider the following requirements and deadlines. All of the documents listed below must be received by the Priority Admission Deadline on **January 18, 2019**.

Who Can Apply:

- New and returning students entering grade 9
- Students residing in Bexar County or one of its contiguously located counties for the past 2 years
- Students with a minimum GPA of 3.2 in core academic classes (English, math, science, and history) for grades 6th through 8th
- Students who score an average in the 85th percentile or above in the four sections of the Independent School Entrance Examination (ISEE) with no individual score below the 75th percentile in any one section
- Students must have participated in at least one school-approved extracurricular activity each year during grades 6th through 8th
